

## Service × Synergy = Sustainability

— YANMAR provides value for the future with our customers —

YANMAR's brand statement for  
the next 100 years is  
"A SUSTAINABLE FUTURE".

Working towards a more prosperous society,  
we aim to provide high-quality services which prevent  
downtime and support our customers' business.

By pooling ideas and knowhow,  
and generating synergy together with our users  
and business partners around the world,  
we will create totally new and pioneering services.

YANMAR SYNERGY SQUARE-shaping the future  
together with our customers.
